The Super K Derby (SKD), is a very well planned weekend of opportunity for you and your fellow Boy Scouts to have fun! Your Patrol gets to build or bring your Klondike Sled. Your patrol becomes a "Sled Team" of "Stampeders." Five to eight Scouts per Sled Team is recommended. Larger Troops are encouraged to have multiple sled teams. Building your Klondike Sled can be a fun activity for your Patrol, during Christmas Vacation. Here's a link to our directory that has DOC or PDF links to the plans for an easy, inexpensive Klondike Sled: <http://troop72.com/cvc/klondike/2012/> We Look forward to seeing YOU there!
