You can come for the day or connect with your local Boy Scout Troop and join them for Winter Camping. If you're prepared properly you could become a "Zero Hero" and earn that patch! *The Super K Derby* is a very well planned day of opportunity for WEBELOS to have fun! Your Den gets to build or bring a sled. You become a "Sled Team" of "Stampedeers:" 5 to 8 Scouts per Sled Team is recommended. Solo WEBELOS or small Dens can join together to form a Sled Team. We'll facilitate! Just let us know. Building your Klondike Sled can be a fun activity for your Den, during Christmas Vacation. Here's a link to our directory that has DOC or PDF links to the plans for an easy, inexpensive Klondike Sled: <http://troop72.com/cvc/klondike/2012/> We Look forward to seeing YOU there!
