Earn the Whitewater Merit Badge on the
FLAMBEAU RIVER VOYAGE

Treat yourself to an adventure on the wild Flambeau River. With our trek guide enjoy a blend of quiet water to class II rapids. Keep an eye out for the wildlife and the awesome fishing. Spend Monday preparing for the trek. You will learn about the gear, do a shake down, get packed and get out in canoes on Bear Lake to review river techniques. On Monday you will also be given a chance to plan out your menu for the week. Early Tuesday you will be shuttled to the river and put-in to start your voyage. The shuttle will pick you up on Friday afternoon and take you back to Camp Phillips where you will unpack, clean up and enjoy the chicken barbeque. During this trek the scouts can earn the whitewater merit badge.
