

SUGGESTED AGENDA FOR AN EAGLE BOARD OF REVIEW

This is the highest award a boy may achieve in Scouting and consequently, thorough discussion of his successes and experiences in Scouting should be considered. The review is not an examination. The board does not retest the candidate on work already completed. Rather, the board should attempt to determine the Scout's attitude and his acceptance of Scouting's ideals. Scout spirit is defined as living the Scout Oath (Promise) and Scout Law in a Scout's everyday life. The board should make sure that good standards have been met in all phases of the Scout's life. A discussion of the Scout Oath and Law is in keeping with the purpose of the review, to make sure the candidate recognizes and understands the value of Scouting in his home, troop, school, and community.
