

# PACK BUDGET PLANNING WORKSHEET

Use this form and the Ideal Year of Scouting information  
to make all of your Scouting plans possible.

Every Pack needs adequate funds to operate well. **It is critical to have an annual plan and develop a budget to pay for the annual plan.** Focus on providing a quality program rather than continually fundraising throughout the year. Communicate your annual plan with the families. If fundraising is necessary, consider participating in the council endorsed product sale to provide youth with an "Ideal Year in Scouting" where all activities and fees are paid for by the profits from the sale. **Always fund the basics like registration fees, awards, and activities first.**
